

SAVING FOR SCHOOL

All students deserve the opportunity to achieve their dreams. That's why the State Treasurer's Office is proud to give Kansas students a chance to make their education more affordable through scholarships and savings plans.

✓ Learning Quest 529

529 College Savings Programs offer tax benefits while assisting Kansas families with the rising cost of education and reducing student loan debt. There are no age or income limits, and anyone can contribute to the accounts. Funds can be used to cover costs of public, private, community, technical, and vocational schools as well as registered apprenticeship programs. Learn more at:

✓ KIDS Matching Grants

The KIDS Matching Grants program is a unique opportunity to help Kansas families make their children's educational dream a reality. Kansas families earning less than 200% the federal poverty level (e.g. \$53,000 for a family of 4) may receive a matching contribution up to \$600 each year that can be used for qualified education expenses. Money can be used for qualified education expenses. Learn more at:

SCHOLARSHOP - A SCHOLARSHIP SEARCH ENGINE

Through a partnership with Sallie Mae, the Kansas State Treasurer's Office provides students with access to a database of 6 million scholarship worth more than \$30 billion.

It's a free tool for all Kansas students to search for free money to help make undergraduate, graduate, or career training programs more affordable.
